

# U.S. Forest Service Job Fair

## STATEWIDE EVENT!

Monday, Dec. 8, from noon to 4:00 p.m.

- Forest Service personnel will be at each Idaho Department of Labor local office to discuss job opportunities and answer questions.
- From 2 to 4 p.m. at each office, a veterans-oriented program is scheduled to address veterans preference, how to apply and other veteran-specific details.

This **statewide** event will provide information on the many job opportunities within all of Idaho's national forests.

Jobs opportunities are predominantly seasonal, mainly during the summer. A seasonal job can be a stepping stone to a permanent job.

Opportunities include:

- Fire management
- Recreation such as trail building or campground maintenance
- Biological science technicians in wildlife and fisheries
- Engineering technicians

Forest Service jobs are challenging, stimulating and rewarding and provide benefits to the public and the forest. The forest service is committed to diversity and encourages veterans and all other Idahoans to attend this first-time event.
